## **TRADOC GREENING COURSE**

## RESPONSE TEMPLATE

REGIONOL TEMILENTE				
SCHOOL/CENTER	COURSE LENGTH	DESCRIPTION		
United States Army XXXXXXX School, Fort XXXXXXXX	1 Week	Orientation: Includes a briefing from all the major TRADOC mission/Fort XXXXXXXX elements (representatives/speakers from each activity will outline mission, duties, responsibilities and how their roles tie into the "big" picture). To be included (as a minimum): 11th Inf, 29th, BCTB, ITB, RTB, IMCOM, MEDDAC, WHINSEC, and NCOA.		
		Staff Ride: An organized, military staff ride conducted by a historian; accompanied by Soldiers who actively participate along with the civilians in the learning experience.		
		Field Training: Permit civilians to actually "experience" a Soldier's daily routine. Experiences may range from simply observing to actually participating, depending on the situation. The experiences includes:		
		- Wearing of the Army combat uniform (ACU) and individual combat equipment - Participating in physical training (PT)  Diving with Soldiers in a garrison diving facility or field feeding environment.		
		<ul> <li>Dining with Soldiers in a garrison dining facility or field feeding environment</li> <li>Negotiating a leader reaction course</li> <li>Riding in a wheeled or tracked vehicle, especially armored combat vehicle</li> </ul>		
		<ul> <li>Viewing targets through sensors</li> <li>Communicating on a radio</li> <li>Handling/firing a weapon</li> <li>Observing live fire exercise (HOTEX)</li> </ul>		
		- Observing small unit training at an urban training site - Riding in a simulator that is conducting maneuver and fire training		
		Professional Reading: Supplemental, low cost and highly accessible to every civilian. An appropriate reading list will be developed and provided to all civilians enrolled in this course.
